Before booking your flight or making your itinerary, make sure the bus from Sevilla (plaza de armas station) to Almonte gets you here on time as there are not many time slots and they are different depending on the day of the week. (L-V means; Monday to Friday. Sabado; Saturday. Domingo y festivos; Sunday and holidays).

Once at Almonte bus station, you take another 5-min bus from the same station in the direction of "Matalascañas. Check bus schedule [here](#). (Almonte-matalascañas). Alight at "Restaurante 'LA PARÁ ROCIERA' / El pastorcito" bus stop (make sure the bus driver knows to drop you on this bus stop since you step in the bus.)

From the left of La Pará Rociera (when you face the main entrance), follow the road into the forest, continue until you reach a fork, and then keep to the right side of it. After that, you will come to a small T-junction, take a right from there. Continue for about 2-3 minutes until you see the Global Tribe SIGN on the left
